### GLADIOLI FOR YOUR PLEASURE— At Lowest Prices Yet Offered

Easy to grow, practically insect free, one of the most beautiful of flowers in the garden, the best of cut flowers, you cannot plant too many. In addition, they require very little space and you can have these lovely flowers from June until frost.

This stock is made up of sizes 2's and 3's which are the best for planting. They will positively bloom this season and your selection may be made from the varieties listed below, which we guarantee to satisfy.

Novelties and the new introductions cost 10 to 20 times the price of older varieties but it does not follow that they are more beautiful, larger or add that much more value to the garden. For lovely flowers or garden effect the best of the reasonably cheap varieties are quite as good.
